EDITORIAL

Somebody smiled on us this month and let us go party with pornstars. Sadly, they wouldn't touch our penises. Happily, we're masters at doing that ourselves, which is why this issue of *Club* is stuffed to the tits with girls who only rate a perfect 10, or in some cases 11. We know you haven't got time to waste on girls who aren't up to snuff, so we only let 'em through the door if they make us twitch down below. And these had us twitching like mad... ♣

RECRUITMENT ROMP

Dear *Club*,

Thursday started out like every other day, the sound of my alarm pierced the silence that filled my dark bedroom. As I got out of bed and walked towards the en suite of my bedroom, I could feel my morning wood slightly throbbing thinking of last night's smutty dream. I managed to fight the temptation to have my usual early morning tug and jumped into the shower.

I walked towards my car knowing that I had a busy day in the office; we were in the middle of recruiting for a new temp secretary position. As I got into the office I could see the potential candidates sitting in the waiting room waiting to be called in to be interviewed by yours truly.

The candidates were both female: the first a chubby middle aged woman that resembled what only can be described as a bulldog chewing on a wasp. The second was a petite blonde with a body to die for. She had small pert tits and a tight arse which was hugged tightly by her short dark grey skirt. The chubby first candidate might well have left as soon as the other walked in, my mind was already made up before the interview had even taken place.

As the first candidate left my office the blonde looked up catching my eye, she threw me a soft smile that made my cock twitch in my pants. I beckoned her into my office; if I knew the calibre of this future employee I would have tidied the office a little bit. It turns out the mess didn't matter, we were only gonna add to it!

She introduced herself as Amanda, she presented her past work history for me to look at but, to be honest, I didn't care. I was already thinking of ways I could get into

STIRRING PORRIDGE!

Hey *Club* ladies,

Jason here. Do you like music? Stupid question. I am completely clueless right now, stuck in a segregation cell in prison. I wanna grind like a chainsaw. I have seen numerous spreads and I love 'em. I have been desiring to do one for a while now. Oh ya, I look it. You know that I am as calm as a nuclear bomb, plus I am raised on the glass. I am definitely interested and as soon as I get out I will be doing photography for it. Just thought you'd like to know that,

Jason

PS. How's the weather in London? Words can't describe. I'll be rappin' here in Austin, TX, live music capital of the planet soon. I feel the rush. I hope the world treats me well. Artist name: MC Slick 1. No advertisement. Maybe you'll inspire me for a tune. Let me know if you're not busy. Fuck centrefold is what I want and need. I am rebellious and need a lot of love. It's hard for me to understand a lot of this. So hold my (?) and recognise me honeys. I am extremely sexually open and unashamed. I'd fuck anywhere I can, constantly. Can last for minutes to hours at a time. I have a beautiful cock, that's what an angel told me. I have spent much time alone. Like ice in the summer, and mary in the winter. I do not drink or smoke. Like coffee but am scared to flip out. Like to be cared for?

We get a lot of mail from our 'brothers on lockdown', and we like to think we make the long stretches of time go a bit quicker – unless you're the bastard that robbed our gran, in which case, we hope you only get access to our rivals' inferior mags – but this beats the lot, Jason. We think the world needs to hear the work of MC Slick 1, and we've put out an APB to the A-Team to bust you out. We just hope your prison wall is a big pile of cardboard boxes and it should be a doddle…

her knickers. After a short chat about the role and duties involved I offered her the job. She was only too happy to accept.

Now that Mandy was an employee, it was time to show her around the building and get her acquainted with the other members of staff. My office was set back from the others in the building so it was a bit more secluded. I thought I would be the gentleman and open the door, this meant passing Amanda. She had risen to her feet and as I went to pass her I could feel her looking at me. As I moved past her she moved backwards 'accidentally' bumping into me. I felt her arse rub against my ever-stiffening prick.

"She gobbled my length until her mascara was running down her face"

The 'tour' around the offices was painful; we both had our minds elsewhere. I asked her if she fancied a brew, stressing that the machine was back at my office, hinting at something else warm flowing into her greedy mouth. This, my friends, was about to get interesting. I asked if she could get the tea bags from the bottom shelf, she obliged, bending over to reveal her twat.

I moved towards her, my throbbing member rubbing on the inside of my suit trousers as I had gone commando today. I was struggling to hide it, but this didn't matter. She turned, looking at me, lustfully probing about what she wanted. She turned around and knelt in front of me, unzipped my pants and gasped at the size of my rock hard pork sword. She pulled it out of my pants, licking the tip of my helmet in a teasing manner. She gobbled my love length until her mascara was dribbling down her not-so-innocent face, making her feel like the dirty slut she actually was.

Now it was her turn. I jabbed my digits inside her quivering mound. She loved it so much I inserted more. By now her salty love juices were flowing like Niagara. I stood her up and pushed her towards my desk, disregarding anything that was on its glossy surface. I bent her over widening her legs so I could give her the stuffing she desired. She howled, and I felt a seedy grin wash over my face, the type only bosses can as they pummel a wannabe employees' dirtbox.

Speaking of dirtboxes, it seemed it wasn't only a fanny filling she wanted. She pulled my dick out of her soggy snatch; using the natural juices that seeped out of it to lube her arse. I entered her back passage. She had done this before – after a while her anal muscles relaxed, allowing me easy access to the depths of her bumhole.

It wasn't long before I felt my nutsack grumble, and started imagining ways I should spray her with my manly seed, salty at that. She answered for me, begging me to inject my steamy jizz into her mouth. I duly obliged. She swallowed every last drop, licking her lips. She paused at the door, extending her gratitude for the almighty pounding she just received. She whispered, 'When do I start?' '9am tomorrow I said,' giving her a cheeky wink. Who said all work and no play makes Jack a dull boy! ♣

ZEINA WILL GIVE YOUR COCK A CORONARY...

Hey Zeina, we reckon we've mastered the art of guessing vital statistics. Want to be our guinea pig?

"Shoot."

"Okay, you're pretty slim and slight. Quite short. We're going with 18-1000-3. 18B, that is.

"Christ, who taught you about women, a blind homosexual? You're way out."

Can't be. We know how to do it. We've been schooled in the ancient ways.

"I'm 34B-24-34, doofus."

No you're not.

"Er, I am. I don't know what you're measuring, but I'd be the strangest shaped woman you've ever have seen, and I don't think you have them in *Club*, do you?"

Well, apparently we do. 34B-24-34? Who ever heard of such a thing? ♣

IF VANESSA PUTS THE WAX ON FIRST...

Vanessa is very proud of her car. So proud, in fact, that she cleans it in the nude and sh... hold up, that doesn't make a lick of sense. Er, why are you cleaning your car in the altogether, Vanessa?

"Why the hell not? My shower is on the fritz at the moment, so it's the best chance I've got of getting nice and soapy. I clean the car, I clean my tits and pussy, everyone's happy."

Yeah, but what do the neighbours think?

"I haven't got any. You think I'd show 'em this for free?"

Suppose not. But you could have just asked to borrow our shower. We've got a guest bathroom you can use."

"Oh, cheers. Yeah, I might take you up on that. It's fucking freezing out here..." ♣

FORMULA 1

BORING? DULL? NOT ANY MORE, AND 2010 PROMISES TO BE ONE OF THE MOST EXCITING SEASONS EVER IN THE HISTORY OF THE SPORT. MATT LOXHAM'S GETTING ALL GRIDDY ABOUT FORMULA 1...

HISTORY

The first Formula 1 (F1) World Championship race was held at Silverstone in 1950, and was won by Italy's Giuseppe Farina in an Alfa Romeo. Farina also scooped the inaugural driver's title that year, narrowly beating grid legend Juan Manuel Fangio to the prize.

However, Fangio got his revenge by winning five out of the next seven titles, earning the nickname 'El Maestro' in the process.

The first real car and technical innovations were introduced throughout the late 50s and early 60s, with the arrival of fuel-injection, streamlined bodywork, and faster mid-engined cars gradually replacing the original front-engined models.

1958 brought the first British champion in Mike Hawthorn, and Aussie Jack Brabham snatched a hat-trick of titles, ensuring his place in the F1 history book.

The 70s saw safety innovations and the emergence of drivers such as Jackie Stewart, Austria's Niki Lauda and the only American champion to date, Mario Andretti, with the 80's marking the reign of McLaren and tussles between Piquet, Senna and Prost.

More recently, Nigel Mansell and Damon Hill added to Britain's rich tradition in the sport, before Michael Schumacher turned things into a procession – albeit causing plenty of controversy on the way – with his five consecutive World Titles for Ferrari. Viewers turned off, but champions such as Fernando Alonso and Lewis Hamilton have won back the fans. Can the current and future stars of F1 eclipse the achievements of those of old?

LEGENDS

JUAN MANUEL FANGIO

Many still consider Fangio to be the greatest driver of all time, and even Michael Schumacher has conceded that, "Fangio was on a level much higher than I see myself." Not bad from a bloke who isn't exactly renowned for his magnanimity.

Referred to as 'El Maestro' for his incredible racecraft or 'El Chueco' (bow-legged) for less flattering reasons, he won an incredible five World Championships with four different teams – the last in 1957 at the ripe old age of 46 – and has an awesome record of 24 wins from 52 races in an era when cars were

basically sheds on wheels and safety precautions were practically non-existent.

Fangio's final victory is still rated as one of the finest drives in the history of F1, when a botched pit-stop left him a minute down on the leaders, but he still managed to make the time up and win.

Superlatives abound for this legend amongst legends, but it can be left to the great Stirling Moss to sum up what made Fangio so brilliant: "Because he was the best bloody driver!" Enough said.

AYRTON SENNA

Revered throughout his career for his courage and passion for racing, Senna began his F1 career with Toleman and Lotus before moving to McLaren, for whom he won his three World Championships.

His rivalry with teammate Alain Prost was the stuff of legend, with the pair controversially taking each other out of races on more than one occasion, and few fans will forget Senna and Nigel Mansell racing wheel to wheel like men possessed at the Spanish Grand Prix in 1991.

Although Senna died in a crash during the San Marino Grand Prix in 1994, his legacy lives on. More people still visit his grave in Sao Paulo than those of JFK, Marilyn Monroe and Elvis combined.

His death also triggered safety measures in the sport that have helped prevent further tragedy on the track. However, perhaps most poignantly, Senna's son Bruno will compete in F1 for the very first time this season.

JACKIE STEWART

Like Senna, Jackie 'The Flying Scot' Stewart won the drivers' World Championship three times, which is all the more impressive considering he raced in an era when safety was peripheral, to say the least – the chances of a F1 driver who raced for five years being killed in a crash were a staggering two out of three.

After a terrifying incident during the Belgian Grand Prix in 1966 when Stewart ploughed through a telegraph pole and ended up in a barn, pinned into the car with fuel leaking into the cockpit, he began to campaign for improved medical facilities, more barriers at the tracks, and full-face helmets and the compulsory wearing of seatbelts for the drivers.

Indeed, his reputation as a safety advocate for the sport almost matches that of his brilliance and bravery as a driver. Stewart is considered to have been one of the leading innovators and pioneers in the evolution of F1, for which he was awarded a knighthood in 2001.

2010: THE BEST SEASON EVER?

Thanks to a bunch of daft rule changes that made overtaking on the track a rarity, and a raft of drivers who had apparently left their personalities back in the garage, until recently F1 has been mired in a period which is best described as 'highly forgettable'.

However, after a couple of half-decent seasons which have seen plenty of unpredictable racing, lots of different Grand Prix winners, not to mention a couple of British World Champions, the sport once loved by millions and featuring fearless mavericks and legends such as Senna, Prost and Mansell is seemingly all set to enjoy its most thrilling campaign for years.

No longer will you be able to drift off to sleep after a hearty Sunday lunch to the sound of whiny engine noises and the dulcet tones of Martin Brundle wittering on about tyres, because this year promises rivalries, exciting racing, and definite potential for a few bumps, crashes and bust-ups.

At McLaren, current champ Jenson Button has teamed up with 2008 winner Lewis Hamilton to ensure plenty of interest for us Brits. In addition to providing the engine for McLaren, Mercedes have also taken over the success story of the 2009 season, Brawn Racing, and signed up no less than Grand Prix legend Michael Schumacher along with fellow German Nico Rosberg.

F1 giants Ferrari haven't been resting on their laurels either, retaining nippy Brazilian Felipe Massa and snapping up title favourite Fernando Alonso.

Red Bull have managed to hold on to their pairing from last season, German hotshot Sebastian Vettel and resurgent Aussie Mark Webber, and perennial dark horse Robert Kubica gets the drive at Renault.

Four new teams will take to the grid in Bahrain when the new season revs up on the 14th March. Lotus return to F1 for the first time since 1994 and Sir Richard Branson launches Virgin Racing. Hispania, with Bruno Senna in the saddle, and US F1 should also make their bow, although at the time of writing the latter's participation was in doubt.

All in all, 2010 promises to be the most exciting and competitive F1 season in years, so buckle up and get ready for Bahrain.

POLE SITTERS

FERNANDO ALONSO

After winning two consecutive Drivers' titles with Renault in 2005 and 2006, most people expected a hat-trick when Alonso signed for McLaren in 2007.

Victories in Malaysia, Monaco and Germany put the Spaniard in pole-position, but following a series of controversies including qualifying shenanigans with team-mate Lewis Hamilton and accusations of spying into Ferrari team tactics, the relationship between McLaren, Alonso and Hamilton soured, and Ferrari's Kimi Raikonnen snatched the title.

Alonso spent two frustrating seasons with Renault, but now he's at Ferrari and enthusing that it's the best car he's ever driven.

JENSON BUTTON

Button came out of the F1 wilderness to become the 2009 World Champion with Brawn GP, but there was never any doubting his talents on the track – it was just a case of him getting the right drive with the right team.

So with Brawn GP now defunct and Button opting to join Lewis Hamilton at McLaren, the main question mark will be over the performance of the car. McLaren certainly had their problems last season, and early testing in 2010 saw Jenson struggle slightly with his new motor. Much also depends on his relationship with Hamilton, who has serious title hopes of his own and who is unlikely to roll over for his new teammate, as to which Fernando Alonso would no doubt testify.

SEBASTIAN VETTEL

After finishing just nine points adrift of Button in 2009, expectation is high for the 22-year-old German this season. Can he handle the pressure? Well, that remains to be seen, but the Red Bull has been consistently quick in testing, and optimism is high for even better things in 2010. The presence of a certain other German driver might just take the heat off Vettel, and his partnership with Aussie teammate Mark Webber has been a proven success, so arguments and infighting shouldn't be a problem.

With all the big names battling it out, pinching points off each other and getting involved in angry spats and arguments, don't be surprised if the mild-mannered Vettel keeps quietly sneaking through in their slipstreams. ♣

DOWN THE WIRE

What's been keeping *Club*'s network of global correspondents busy this month?

THE MARSHAL PLAN

Local law enforcers are still appalled and embarrassed by how easily 37-year-old nutter Gregory Denny was able to 'deport' Cherrie Belle Hibbard from her home in Hemet, California, back to her native Philippines.

Hemet police allege that Denny, armed with a gun and sporting a fake US Marshal's shirt and badge, waltzed into the Hibbard household and arrested the five-month pregnant Cherrie Belle. He then escorted Mrs Hibbard to San Diego's Lindbergh Field airport, and sent her home with a ticket to the Philippines that he had ordered Cherrie Belle's husband Craig to purchase.

Fake Marshall Denny accompanied the bewildered woman through airport security, put her onto a flight, and stood, arms folded, looking macho, as her plane lifted off and carried her home to the Philippines.

Later, when questioned by police, the miscreant apparently continued to insist he was a US Marshal. Only after he was arrested on suspicion of kidnapping, impersonating a peace officer and numerous other charges, did it come to light that Denny is a distant relation of Cherrie Belle's husband and that Denny may well have believed that, by sending Cherrie Belle packing, he was doing husband Craig a good turn.

I CALL 'FIDO' TO THE WITNESS BOX

British Columbia's District of Sechelt Council recently approved a ludicrous byelaw making it illegal for licensed dogs to chase squirrels and other wild animals. The legislation allows exceptions in cases where dogs have been subject to 'provocation' by the squirrels. But what if the dog is the only witness?

SKULL-FUCKED, BUT NOT IN A NICE WAY

Smarmy former speaker of the Missouri House of Representatives Rod Jetton, who is also renowned in the US as the founder of Common Sense Conservative Consulting, LLC, has been charged with felony assault after visiting a woman in her home and allegedly engaging in a loud, rough kinky sexual encounter.

The woman complains that Jetton punched her in the head and choked her until she blacked out, and that this was Rod's notion of foreplay. Jetton, however, maintains that the so-called 'assault' was consensual, and that she was to utter a pre-arranged 'safe phrase' - in this case 'green balloons' if things got out of hand. He insists he would have stopped if she had spoken them, and swears blind that the woman never once said 'green balloons'. The prosecution contends that this was probably because the poor bint was unconscious.

10 YEARS FOR STUPIDITY

Twenty-seven-year-old getaway car driver James Snell received a 10-year sentence at Cardiff Crown Court for his part in a £104,910 robbery on a branch of the Halifax from which he and his fellow crims sped away in his motor... a BMW distinguished by a highly distinctive personalised license plate bearing his first name in the form 'J4MES'.

J4mes and his crew were apprehended by the rozzers after a witness remembered admiring the distinctive plate on the sporty blue BMW and passed on the details to The Law. He and his elder brother Wayne were traced and captured red-handed with over £30,000 of the cash in their possession. Police say that despite the rest of the gang being caught, tried and sentenced, the remainder of the lolly – totalling more than £70,000 – remains unrecovered.

COLOSSUS OF ROGUES

Awkward questions are being asked concerning the gigantic bronze statue entitled 'African Renaissance' currently under construction in Dakar, Senegal, on the whim of Senegal's president Abdoulaye Wade. The monument, which will cost the country $27 million, was initially heralded as something likely to become a point of African pride and to boost Senegalese tourism, despite the fact that the people living in rubbish-dump houses at the foot of the hill it rests on are starving. But now journalists are voicing suspicions as to the real motives behind the erection of the statue, which features a woman with her dress hitched up round her waist, it having become apparent that the monument was built by North Koreans, and that President Wade will personally be pocketing 35% of all revenue generated by any visitors bored enough to ponder the pointless monstrosity.

Club canes the free bar at Television X's SHAFTA's...

The promise of a complimentary bar, posh canapés and the cream of the UK porn world in a legendary riverfront Greenwich pub was too much for *Club*'s weak attempt at dieting and living a pure life to resist. And like truffle pigs under a tree, we were duly to be seen ogling the fabled arse of Angel Long and the soon-to-be fabled top front arses of Syren Sexton while ordering Stella by the lorry load. Yup, TVX know how to put on a party, although such were our wandering eyes with all the telly totty around that we probably looked like Marty Feldman. Look, there's Sasha Rose, oh, it's rising star Satine Spark, blimey, will you look at the jugs on Melvina… and so forth. Angel won not just for taking it in the bum, which she does like a champ, but for her blossoming directorial career with partner Laura in Pure XXX. Demetri picked up male performer of the year, with Syren Sexton the female equivalent, with another trophy for Best Spoof Series (*Life in Bras*). And long after all the lovely women had gone, the free bar was still keeping us away from home… ♣

LENKA IS GOING BEYOND BLONDE...

We've already failed in our quest to master the arcane art of working out lady statistics this issue, so we're not even going to hazard a guess as to Lenka's real hair colour. We'd probably get slapped.

"Well, I'm happy to tell you I'm not a natural blonde," confesses the cutie from somewhere cold and Eastern European where they probably eye their border with Russia nervously. "But there's no shame in dying your hair."

No, none at all. But is it working out for you?

"That's a big yes. I've tripled my cock intake since I stopped having mousy hair."

So, forgive the cliche, but blondes have more fun?

"No doubt. Well, blondes have more cock inside 'em, that's for sure." ♣

August DTV350C 3.5-inch Mobile Freeview TV and Multimedia Player

£139.95

www.augustint.com

Anytime the selling point of a piece of technology is the ability to watch in the 'palm of your hand', then we're immediately interested (obviously if it said 'palms of your hands' we may have a problem). Even better is the fact that this piece of kit from August also allows us to view multimedia files, like avi. video files, and crucially, photos, so you can always have those pictures of the wife and kids to hand... or alternatively those other important women in your life that you like to look at from time to time! Of course, the main point of this is that you can also view Freeview on the move; so as well as being able to have a wank pretty much anywhere, you'll never miss another episode of *Reaper*.

Pros: Crystal clear TFT screen and good basic Freeview reception.

Cons: No replaceable battery so may have a transportable shelf life, once it finally gives up.

Amazon Kindle

Approx £150

www.kindle-europe.com

Amazon making a product that renders impotent endless warehouses of their stock seems ironic to say the least, but such is the modern world – you either get on board or miss the damn boat. Their challenge to the existing e-readers is obviously helped by the fact that they have an instant sub-conscious connection to reading and the fact that they've gone for the name 'Kindle' which is one of those abstract names that just might work, like, er… Google? It does look a bit clumsy however, with more buttons than a mainframe computer, and needless function keys, making it nowhere near as simple as its biggest rival aka 'a book'. Plus, you inevitably still get the 'lag' that may frustrate you furious page-turners out there. Nonetheless,'hand-held' devices are always a concern here at *Club*, so if you can't wait to take it 'old-school' and load up a copy of Jilly Cooper's *Riders* for a bit of 'inspiration', then this should do the job.

Pros: Doesn't use battery power unless a page is being turned and has enough storage for a trailer-load of books.

Cons: Still shipped from the U.S. at present so comes with a 'foreign' plug and book selection is still too limited.

Phillips 9664 TV

£1699

www.phillips.co.uk

Whilst you're getting fatter (no offence, but you are), the technological world is getting thinner, and Phillips has now unveiled a fully functioning LCD TV, that's not even 5cm thick. Featuring all the typical stamps of quality like Ambilight Spectra 2 (a system of projecting lights from either side to the back wall giving a more immersive viewing experience), Perfect Pixel HD engine and the added bonus of Net TV internet access, you're losing nothing and gaining a decent sliver of space on your living room wall.

An extra plus is the fact that they've added the 'always straight' easy wall-mounting bracket – so as well as creating the illusion of a picture on your wall, due to it's girth, it should in theory be as easy as hanging one. We repeat, in theory. But it's slimline feel is definitely a good selling point if your missus hates bulky technology. It's almost like a window with the telly on.

Pros: Sleek look and features including quality sound.

Cons: As you'd expect it's not all that cheap in these recessive times. It'll come down, however. ♣

CINDY & PEACHES BREAK THE ASS CEILING...

Cindy and Peaches might occupy different positions at work, but that doesn't stop them occupying different positions at work, if you get what we mean. Well, of course you do, there's a bunch of photos here that make it pretty obvious.

Peaches might have the better job, but she knows that everyone is equal when the clothes are off and there's a couple of fingers wiggling around in your twat. Cindy doesn't care about impressing the boss, she just wants to suck those two fingers of hers clean before replacing them with her probing tongue. Oh, and to get her own pussy eaten out as well.

It's no way to get work done, of course, but as screen breaks go, it sure beats huddling outside for a crafty fag... ♣

PORN STAR GRAVEYARD

Let us pray for the dearly departed guzzlers of cum...

No. 6 – Anna Malle

For once, a porn star obit that doesn't feature a broken life, addiction to painkillers or abusive partners. Just the simple tragedy of a beautiful young woman who didn't wear a seatbelt. The lesson Anna Malle left us (besides clunk, click) was that if you go into the porn industry a sane, happy person you can leave it the same happy person you were, but with more jizz in your hair. Anna actually retired from the adult biz in 2005 (one year before the car accident that took her away from us) but everyone who spoke about her just talked about her happiness and enthusiasm. She came up with the name Anna Malle herself, and it pretty well described the forceful way this buck-toothed beauty approached fucking onscreen – from her heyday in the mid-90's through to the end of her career, the buxom brunette went at cock like it was going out of style. The 351 films she starred in often found her performing with hubbie Hank Armstrong, but she got to taste plenty of other studs' dicks during her career, and a lot of cunt too (Nina Hartley described her as "the perfect partner" after learning of her friend's death).

Anna was about to embark on the late part of her life, away from the biz but fondly remembered by those who she'd worked with and those who'd wanked at her, and was abruptly stopped from doing so. But while those who enjoyed fucking her in pornos will never get to do so again, we at least can wank at her in perpetuity, which is the only decent way to honour dead fuck stars. In fact, I'm gonna fire up *New Wave Hookers 5* now and have a tug at her in that...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Eva Herzigova

There are still supermodels among us, sure, but the time when we were all fascinated with what Naomi, Elle, Helena, Cindy and the rest of 'em were up to has passed. It was simpler back when we only had about three mens' mags, five TV channels, and websites worked at the speed of snails. We could go years just lusting over the likes of Eva Herzigova in her Wonderbra ads, with no-one to take her place in our affections. Cos let's face it, when those ads came out back in the 90s, the men of Great Britain collectively got wood. We crashed our cars, bumped into lampposts, and fell down open manhole covers (probably) all cos we were gazing up at Eva's perky tits on billboards. Well, here's the shitty news – she ain't cute no more. Unfortunately, even though I and most men I know would still crawl through boiling ants to get a sniff of her minge, today Eva is a scrawny stick and there's very little on her that could be described as perky. Sure, we all have to get older, but Eva needs to put on a bit of weight – she's wasting away. So Eva, if you're reading this [Um, you seem to have a very twisted view of our readership' – Ed] get some pies down yourself and get over to my place.

Cute or boot? Let the nation decide!

WHEN PORN STARS HIT THE MAINSTREAM...

If there's one thing Jenna Jameson likes (other than bothering to make a porno every three years or so) it's appearing in cheapo horror movies. Now, no-one's ever gonna call a film called *Zombie Strippers* mainstream, but it played in cinemas all the same, and has a cult following. Nudity-wise, it's of the T & A variety, you don't get to see Jenna slurping her way up and down a veiny pole of man-schlong, but you probably wouldn't want to as her character winds up being a reanimated flesh-eating corpse. It's available on DVD and is actually worth a peep but fans of Jenna's work in the spoofy horror medium can rejoice as this year will see the release of *Horroween*, which features Ms Jameson in a cameo (alongside such luminaries of the screen as Alice Cooper and Erik Estrada off of *CHiPs*). Details are scarce at present as to what this film will be like, but one thing's for certain: it'll be shit. Never mind, we're just happy to see that a great gal like Jenna can make a living outside the industry but still dip her toes in once in a while. She still looks great when she's getting doinked on camera, and we bet she will do for years to come.

Not quite as good as cock, eh Jenna?

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Riley Steele is a cute piece of tail whose tweets are well worth keeping tabs on, if only cos she's pretty unhinged and prone to taking pics of her bum. If only every perky bombshell on Earth felt compelled to Twitpic themselves in toilet cubicles with their customized iPhones, we'd all be happier and fulfilled men. Riley moans about taxi drivers getting her lost, bitches it out with haters who leave nasty messages on her Myspace, and talks sexy to a lot of other porno bints. If you were her boyfriend you'd be an equal mix of constantly erect and constantly shaking your head at her appalling grammar and overall nuttiness. Here are a few choice lines from her feed:

"Oh my god ny cabs can suck my ass now this guy is blasting talk radio I hATE talk radio!

"I just fucked myself with the new pirates toys...omg I came so deep and so hard your gunna have to get this movie just to see"

"Mmm I wish I had a man, or cool girl, to make me chicken soup and bring my tv in my room and lay in bed with me"

"Looks like it's raining today, yay!! Krissy is coming over and we are having an e! And stripping veg out in my living room, ahhh a break"

"Was a bad day, turned into funmini golf arcade date with @jessejane and I finally tried yogurtland..Now Im naked at home and cumfy night"

Yep, she's a real live wire, and that bum is wonderful. Seems to chat back at followers too, so it's well worth catching up with her at *twitter.com/rileysteele* and letting her know you care. And yes, you will regularly get to see her ass.

HD T&A – THE WAY GOD INTENDED...

If *Lark Rise to Candleford* is your idea of racy viewing, you might wanna give *Spartacus: Blood & Sand* a miss when it rocks up to these shores in the coming months. Already shown in the States (with a second series commissioned) it'll be on our tellies and stuffed into our Blu-ray players in next to no time. The balls-to-the-wall show, set in the Roman era and focusing on that slave matey who led an uprising, wallows in our primal urges, feeding us a slew of sex and violence like they're the only two things on our minds. Which is probably true, along with remembering to do the recycling and debating how many pork scratchings is too many pork scratchings (answer: three bags in one sitting).

One reason you'll be wanting to watch in high-def, though, is the amount of barely-clothed tit and arse on show. Annoyingly, this applies as much to the fellas as much as the ladies but we're all for equality here at *Club* so we'll let it slide. You get to see her off *Xena: Warrior Princess* in the altogether (which is weird cos she looked kinda past it back in *Xena*, but can still flood a flaccid cock with blood so it's okay), and that nuffter off *Four Weddings & a Funeral* too (no offence to nuffters). It's trashy, violent and impossible to wank to without the use of your pause function – you don't wanna be hitting your vinegar strokes just as the scene cuts to a guy getting his face torn off and worn by another man.

BEYOND THE CALL...

MI5 had an opening for an assassin. After all of the background checks, interviews and tests were done there were three finalists – two men and one woman. For the final test, the CIA agents took one of the men to a large metal door and handed him a gun. "We must know that you will follow your instructions, no matter what the circumstances. Inside this room you will find your wife sitting in a chair. You have to kill her."

The first man said, "You can't be serious. I could never shoot my wife."

The agent replies, "Then you're not the right man for this job."

The second man was given the same instructions. He took the gun and went into the room. All was quiet for about five minutes. Then the agent came out with tears in his eyes. "I tried, but I can't kill my wife."

The agent replies, "You don't have what it takes. Go home."

Finally, it was the woman's turn. Only she was told to kill her husband. She took the gun and went into the room. Shots were heard, one shot after another. They heard screaming, crashing, banging on the walls.

After a few minutes, all was quiet. The door opened slowly and there stood the woman. She wiped the sweat from her brow and said, "You guys didn't tell me the gun was loaded with blanks. I had to beat him to death with the chair."

ANIMAL LOVER

A man walks into his bedroom and stands in front of his wife with a sheep under his arm.

"This is the pig I have sex with when you have a headache," he says.

The wife looks at him and replies, "That's not a pig, it's a sheep."

He answers, "I wasn't talking to you."

MONKEY BUSINESS

A small zoo in Alabama acquires a rare gorilla, who quickly becomes agitated. The zookeeper determines that the female ape is in heat, but there are no male apes available for mating.

The zookeeper approaches a redneck janitor with a proposition. "Would you be willing to have sex with this gorilla for $500?" he asks.

The janitor accepts the offer, but only on three conditions: "First, I don't want to kiss her. And second, you can never tell anyone about this."

The zookeeper agrees to the conditions and asks about the third.

"Well," says the janitor, "I'm gonna need about a week to come up with the $500."

A RIGHT ROYAL BOOB

Once upon a time there lived a beautiful Queen with large breasts. Mick the Dragon Slayer obsessed over the Queen for this reason. He knew that the penalty for his desire would be death should he try to touch them, but he had to try.

One day Mick revealed his secret desire to his colleague, Horatio the Physician, the King's chief doctor. Horatio thought about this and said that he could arrange for Mick to more than satisfy his desire, but it would cost him 1000 gold coins to arrange it. Without pause Mick readily agreed to the scheme.

The next day, Horatio made a batch of itching powder and poured a little bit into the Queen's bra while she bathed. Soon after she dressed, the itching commenced and grew intense.

Upon being summoned to the Royal Chambers to address this incident, Horatio informed the King and Queen that only special saliva, if applied for four hours, would cure this type of itch, and that tests had shown that only the saliva of Mick would work as the antidote to cure the itch.

The King, eager to help his Queen, quickly summoned Mick to their chambers. Horatio then slipped Mick the antidote for the itching powder, which he put into his mouth, and for the next four hours, Mick worked passionately on the Queen's large and magnificent breasts. The Queen's itching was eventually relieved, and Mick left satisfied and hailed as a hero.

Upon returning to his chamber, Mick found Horatio demanding his payment of 1,000 gold coins. With his obsession now satisfied, Mick couldn't have cared less and, knowing that Horatio could never report this matter to the King, with a laugh told him to get lost.

The next day, Horatio slipped a massive dose of the same itching powder into the King's underwear. The King immediately summoned Mick... ♣

VIRGIN ON THE RIDICULOUS

A lawyer married a woman who had previously divorced ten husbands. On their wedding night, she told her new husband, "Please be gentle, I'm still a virgin."

"What?" said the puzzled groom. "How can that be?"

"Well, husband one was a sales rep: he kept telling me how great it was going to be. Hubby two was in software services: he was never really sure how it was supposed to function, but he said he'd look into it. Husband three was from field services: he said everything checked out diagnostically but he just couldn't get the system up. Husband four was in telemarketing: even though he knew he had the order, he didn't know when he would be able to deliver. Husband five was an engineer: he understood the basic process but wanted three years to research and design a new state-of-the-art method. Husband six was from administration: he thought he knew how, but he wasn't sure whether it was his job or not. Seven was in marketing: he had a nice product, but he was never sure how to position it. The next one was a psychiatrist: all he ever did was talk about it. Husband nine was a gynaecologist: all he did was look at it, and the last one was a stamp collector: all he ever did was... I miss him! But now that I've married you, I'm excited!"

"Good," he said, "but, why?"

"You're a lawyer. This time I know I'm definitely gonna get screwed!"

Kari loves wankers.

"I really, really like watching a man play with his cock," the Yank wank-fan says, "I get all my boyfriends to stroke off in front of me."

Presumably you wank while they do?

"Of course, I can't resist it, but what I'm really doing is watching what they do to themselves, so I can see what they like, and I can do that for them too. If they like it slow or hard, rough or smooth. A cock is a terrible thing to waste, so I like to treat them nicely."

You know there's a lot of guys out there right now with something hard in their hands?

"There'd better be. If only they'd all let me watch..." ♣

NAME: Laura **AGE:** 22
VITAL STATISTICS: 34A
WHAT'S SHE LIKE? She's ready to dive in at the deep end.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I've dreamed of being a porn star for a couple of years, and what better way to start than in my favourite magazine?

PORN STAR OR MODEL?
Well, I'd like to do both, but if I had to choose one it'd be porn star. It's one thing being looked at and wanked over, but to get all that sex as well would be great.

SO ARE YOU GOING TO AMERICA?
I'm making some pornos over here first, and once I've exhausted all the British cocks, I'll try Europe and the States.

SO, WHAT'S YOUR SPECIALITY?
Oh, I'll do anything as long as it feels good! At the moment I've got a guy teaching me to deepthroat – I can get around 7 inches in – and I'm working on my anal capacity too! That's around 7 inches as well.

SOUNDS PLENTY!
It's a lot, but some of these porn fellas are packing 9 and 10 inch cocks, and I want to make those beauties disappear inside me. You don't get famous just polishing the tip of a dick or for flinching when you're getting bummed! And I'm hoping *Club* makes me famous! ♣

ALBUM REVIEWS

PAUL WELLER
Wake Up The Nation (Island)
The Modfather returns with his 10th solo effort and unlike his previous offering is without help from his Oasis/ Blur/Stone Roses mates. Any good? Like JAMming 4 fingers inside an 18-year-old.

MUSIC GO MUSIC
Expressions (Mercury)
Music Go Music definitely lean towards the ladies department – imagine a 3some with Blondie and the 2 birds from ABBA. Not to be played full blast whilst cruising in your Subaru but perhaps making an effort to impress a lady with your feminine side will ultimately result in some quality bum sex.

AUDIO BULLYS
Higher Than The Eiffel (Cooking Vinyl)
If you can't remember 2003's *We Don't Care* or 2005's *Shot You Down*, think along the lines of Mike Skinner smoking crack with the Prodigy in a Brixton basement with a few local hussies.

GOLDHEART ASSEMBLY
Wolves and Thieves (Fierce Panda)
These former zoo keepers decided to stop shovelling rhino shit and make some 60's folk tunes in a steam engine museum in Norfolk. Very random, yes – but perfect bait for luring average at best and slightly overweight ladies into your sex den.

MICHAEL FAKESCH
Exchange (Musik Aus Strom)
Always bringing girls home at 7am on a Sunday morning who require a good old fashioned banging? Then have some of this. 17 electronic remixes from German producer Michael Fakesch including a messed up version of Booka Shade's *Mandarine Girl* and tracks from Hexstatic and Bomb The Bass. Town centre trance this is not.

ALTOGETHER NOW...

Club chats to legendary scouser and The Farm's lead vocalist, Peter Hooton...

What was your biggest ever cock up?

Sacking a fella called Simon Moran. He later became SJM Promotions – the biggest promoter in Western Europe! We didn't have a manager; he was more of our helper. The first concert he ever promoted was at Sheffield University in 1984 – and that was The Farm. He got us a Housemartins tour in '87 and it looked like we were gonna get a record deal on their own label. There was gonna be a £25000 advance which back then sounded quite good. We said to Simon, "You've been a great help, but if we get this deal, you're going on a wage like the rest of the band." He wanted his 20%. And that was our biggest cock up because he would have made a great manager. He later promoted Oasis at Knebworth. We never fell out though.

What else did you do before music?

I was a youth and community worker in Liverpool. I worked on an estate and what I tended to do is organise youth exchanges in places that I wanted to go to. In the 80's I took thirty 18-year-olds to New York by asking various charities for money. We won 20 Virgin Atlantic flights to New York. I knew someone who worked at HMV in Liverpool and if you spent a tenner you could fill out a form to win these flights. One of the questions was, "What is the name of the Virgin Atlantic plane?" They only had one plane back then. So I rang Suggs up from Madness who'd been on the plane, and he told me it was called The Maiden Voyage. I filled in 20 application forms and won 20 flights!

Marvellous!

So went out to meet this youth group from Harlem but they never showed at JFK airport. I had $2000 emergency money on me so we had to put these 18-year-olds in accommodation and feed them, then all the money ran out. So we marched them to Harlem and walked through the streets with our bags – we looked like a football mob. When we got to this youth centre in Harlem, we said, "Where were you?" And he was like, "We've got a crack epidemic on our hands. How can we put you up?" So anyway, we slept in the gymnasium for a few nights and then Ed Koch, the Mayor, found out about it and he gave us a few thousand dollars to stay in the YMCA. That was an experience in itself.

Any problems in New York?

A few of the lads were into smoking cannabis and we told them to take nothing into America. We told them not to bother buying anything but they tried to buy some on 42nd Street. 2 girls pulled out a gun on one of them. They turned out to be plain clothes policewomen who were pretending to be selling cannabis. After that, the lads got the message.

And what did you do back in England?

We didn't have a youth centre as such – we were just told, "That's your estate, go and see what you can do." So that meant going into pubs, betting offices, cafes, and wherever young people congregated. So my job description was to go into pubs. It doesn't get much better than that!

Ever had any big injuries?

I was going to get some money out to go to Manchester airport at 4am in the morning to pick my girlfriend up. At the cash machine, 4 balaclava'd youths attacked me with knuckle dusters – I got beaten to a pulp. They were going, "Where is it? Where's the tank?" They thought I was a nightclub owner bringing the takings to the bank. They'd obviously staked it out and a nightclub owner must have come with 5 grand or something. Before they even asked me a question they battered me. I thought someone had put a contract out on me at first! In Liverpool, "Where's the tank?" means "Where's the money?" They broke my jaw and my cheek bone and I looked like the Elephant Man. But I got a good criminal injuries compensation out of it.

Nice one. Let's hope we win the World Cup.

& LOVE!

ON THE GAME

RESIDENT EVIL 5 GOLD EDITION *(CAPCOM)*

PS3, Xbox 360

★★★★

Resident Evil has come a long way since it scared the tits off us with dogs leaping into hallways back on the PS1 when life was black and white and Spangles were tuppence a tube. Not every innovation along the way has been a success – but when Resi delivers, it delivers big. This edition adds extra content, episodes and fancy new costumes if replaying a game in some slightly different computer-generated clothing is your thing. If you already have Resident Evil 5, you can just download the new content. But don't forget to turn the lights off first…

GOD OF WAR III *(PS3)*

★★★★

God of War and, in particular, *God of War II*, really pushed the limits of what the PS2 was capable of. It was almost like pre next-gen gaming. So PS3 owners have been wetting themselves with anticipation about what the Santa Monica Studios could muster with the new hardware. To be honest, it's more of the same, only more so. It looks sweeter, as you'd expect, but the same joys and limitations of the previous games exist – it's pretty linear action-wise, there's a lot of bashing, but it does what it does with beautiful simplicity.

JUST CAUSE 2 *(SQUARE ENIX)*

XBOX 360, PS3

★★★★

In many ways, *Just Cause 2* is symptomatic of the problems with many modern video games. From the wrong angle, it looks like a case of all mouth and no trousers. The graphics fairly glisten, and are a thing of wondrous pixellated beauty, but the story – Rico Rodriguez tracking down a rogue agent on an island with a dodgy military regime – is the kind of thing you could scribble on the back of a fag packet in 10 seconds. Happily, it overcomes that with some great gameplay, an open-world approach to exploring and, yes, those graphics. ♣

SET UP SEX!

Just last weekend I was really horny and needed to get my pussy fucked big-time – either that or have some filthy bird with a strap-on slam me senseless. Or, indeed, both simultaneously. I can be dirty that way. Anyway, I headed to a pub where I've never failed to score some action. I was sipping some wine and surveying the talent when this really buff bloke strolled up and parked himself on the seat next to me.

"Hi, I'm Dennis," he said pleasantly. "Anyone catch your eye?" he asked.

"Oh yes," I replied.

"Reckon you'll snare them?" he asked.

"I already did," I told him, and grabbed his already-hard cock through his jeans. "But first I need a girl to join us."

"A threesome?" he asked, sounding like his heart just skipped several beats. "Serious?"

"Never more so," I replied. "See that brunette over there?" I pointed to a fine, fit girl sitting alone in a corner, smiling in our direction. "I suggest you ask her if she'll join us for a drink. And maybe something else besides…"

Dennis did as I'd told him and within moments was back with the brunette. "This is…" he started to say.

"No names," I said. "Listen, what say we all make tracks for my place and fuck each other's brains out?"

Back at my house I had Dennis fix us all drinks while I got straight down to business with the brunette. Having pulled off her pants and pushed her onto her back on the sofa, I acquainted myself with her pussy. Pulling her pussy flaps wide, I buried my tongue deep inside her slippery slit as far as it would reach. Then I let go of her cunt lips, which folded over my tongue.

"As I sucked his cock, the brunette came behind me and slammed the strap-on into my cunt…"

As I orally probed the brunette's hole, she made quiet, whimpering sounds that turned me on so much. My twat was oozing juice and I desperately needed it seeing to. So I stopped what I was doing and straddled the girl's face – I never wear knickers – and let her eat me out. And that she did, ferociously, as though it were her last supper. As I writhed like a woman possessed on her face, I shouted out, "Hurry the fuck up, Dennis! I need your cock – like NOW!" What, me? Bossy?

Dennis charged into the room minus drinks but naked from the waist down, and sporting a humungous hard-on. He'd felt big through his jeans, but in the flesh, well, I swear it was a good nine inches, and pretty thick too. "I hope you're juicy enough to take my beast," Dennis said, then let out a howl like a werewolf in heat. Climbing off the girl, I whispered in her ear, "Put on the strap-on that's in my bedside table." Then I

answered Dennis with, "If I'm not juicy enough for you, you've got plenty of spit in that big mouth of yours, I'm sure."

We both laughed, but that stopped a few seconds later when Dennis slid the tip of his dick into my cunt. Then he grabbed me by the hips and wormed his entire length inside me. I groaned with every throbbing inch of it. "You approve?" he asked. Speechless, I nodded exaggeratedly, and in a few more seconds, Dennis was piledriving my pussy to oblivion. It felt amazing, and I could feel my cunt juice dribbling down the backs of my legs. Then, in what had to be record time for me, I screamed, "I'm cumming!" And I did, thrashing around like I was being repeatedly hit by lightning.

Still shaking, I slid off Dennis' cock, spun around and grabbed it. Then, with my arse pointing skywards, I wrapped my mouth around it, taking as much of it down my throat as I could. As I sucked, our brunette friend came behind me and slammed the strap-on into my cunt. As she ground it deep inside me, Dennis screamed, "I'm cumming, you dirty slut!" Then he offloaded his cream down my gullet, and I gulped it down. After a moment, I turned to the girl and said, "That was great, right, Liz?" I said.

"Absolutely, Penny," she replied.

The look on Dennis' face was to die for. "You two know each other?" he said.

"I admit it," I answered. "Yes, this evening was a total set-up. But you don't mind, right?" And you know what? He didn't.

BOOB BANGER!

Breasts, tits, boobs, hooters, jugs, cans, headlamps, knockers, melons – call them what you want, I call them amazing. To me they are the part of a girl's body that defines her sexuality. There's one prerequisite, though – they have to be big. I'm not talking zeppelins, necessarily, but they have to be big enough for me to slide my cock into the cleavage and have their owner wrap her tits around its shaft, and tit-wank me into spurting my steaming spunk. That's all I ask.

Last summer I had the pleasure of a brief liaison with a blonde who possessed the most magnificent pair of mams I've ever laid my eyes on. It wouldn't have happened over here, but I read about the annual Nudes-A-Poppin' event in Indiana, America, and decided I was going to treat myself to a dirty holiday.

Although I'd never been to a nudist camp before, I've always been somewhat of an exhibitionist, and had no qualms about walking around in nothing more than a pair of flip flops and a smile. Trust me – if you were up close to the acres of flesh on show, you'd be smiling too. The only drawback is that the organizers of the pageant frown on men walking around with stalk-ons, so I took a towel with me just in case. I had it wrapped around me while watching the Miss Nude Go-Go event, when I found myself

standing next to the aforementioned busty blonde, dressed only in a tiny thong.

She was so excited by the show that she was wildly jumping up and down. "Whoah there, love," I said to her, unable to resist staring at her bouncing boobs. "You'll give yourself a couple of black eyes if you're not careful!"

Still bounding about, she looked me straight in the eyes, then down at my groin. "Judging from the lump beneath that towel, you like what you see, yes?" she asked.

"Like?" I replied. "That's an understatement!"

"Well, how about we hang out today, then you come back to my hotel room when this is all over, and you can give me a demonstration of your appreciation. I like that British accent too," she said. Naturally I agreed, then we introduced ourselves to each other – her name was Sue. And I'm Tom, by the way.

Although we had an amazing day together, it was nothing compared to what happened that night. Having stripped down to the state in which we'd met, Sue told me to get comfortable on the bed. Then she pulled a huge vibrator from her suitcase and stood with her back to me. "Your tits! Show me your tits!" I begged.

"Slow down, baby," she replied. "There's no rush, and I guarantee you won't be disappointed with what happens next."

Bending forward and down, Sue looked at me between her spread legs, her tits hanging low. I gasped. She smiled, slipped the vibrator inside her juicy snatch and, from the volume of the buzz emanating from it, turned it on at maximum speed. I started stroking my cock as Sue prodded her pussy, my gaze switching between the vibro disappearing in and out of her cunt and her swinging jugs. I swear I was just seconds away from blowing my wad when, as though she could read my mind, Sue shouted, "Stop!"

I did as she said, and she hopped onto the bed, grabbed me by the ankles and pulled me onto my back. Then she straddled my chest and made my dream come true – she wrapped her boobs around my knob. "Don't move," she said. "Leave everything to me."

Momentarily releasing my dick from its soft flesh housing, Sue slid a hand between her legs. When she retrieved it, it was coated in her pussy honey, which she proceeded to smear all over her cleavage. Seconds later my cock was back between her tits. My cockhead bobbed in and out of view, drowning in Lucy's fleshy mounds. As she massaged my shaft with their massiveness, I suddenly felt as though I'd been pumped full of adrenaline, and a huge surge swept through my body. "I'm gonna cum!" I shouted. Lucy rubbed her fat boobs faster against my cock, and seconds later I spurted an enormous load all over them. Best. Holiday. Ever.

Tom, Hove

WATCHING BRIEF!

Imagine for a moment that I'm lying naked by my swimming pool, slowly sliding a dildo in and out of my pussy. My eyes are closed, lost in lustful thoughts. Suddenly you hear a loud groan and a male voice yell, "Oh yesss!"

Looking upwards, you see a guy wanking his dick on a balcony two floors above me. A split-second later, he spews his seed and disappears inside. Is he a stranger to me? Or could he be my boyfriend?

You look back down at me. Having not reacted in the slightest to my noisy neighbour, I'm still dreamily dildoing my cunt. You can tell from the expression on my face that it feels really good. My hole's so slick I can slide the entire eight inches of the silicon dick in and out effortlessly.

Although I'd paid him no heed, I'd known that the guy had been wanking off watching my poolside antics. He does it quite often, and to be honest, whenever he does, I imagine that that dildo I'm stuffing inside me is in fact his fat cock, and it's filling me with sweet sensations. Suddenly I start to tremble from head to toe. I'm on the brink of cumming. As my orgasm hits me, and I lose complete control, I can just about hear a bloke's voice saying, "That's it… Ride it, baby – ride it for Robbie."

When I eventually regain my senses, the man who called himself Robbie is standing over me, dick in hand – and it looks hard enough to drill a hole in concrete. "That was even nicer than usual," I say.

Smiling, Robbie replies, "But what I have in store for you is going to be even better." Then he rolls me over onto my front and pulls me up on my hands and knees into the doggie position. Feeling the hot, hard head of his cock poking against my sticky slit, I tell him, "Oh yes, I want it inside me so much…" But he doesn't fulfil my request immediately. Instead he reaches around and starts tweaking my nipples, making me gasp and moan. Robbie juts his body forward slightly, and the head of his cock slips inside me. I bite down on my lip in ecstasy at having such a big cock inside me. I'm just seconds away from being fully impaled by its hugeness, and fucked stupid.

"You ready?" Robbie asks.

I reply, "Give it to me – give it to me hard!"

"Lucy rubbed her fat boobs faster against my cock and I spurted all over them..."

Grabbing my head, Robbie twists it sideways so that he can bend forward and plant a wet, luscious kiss on my lips. It may appear a romantic gesture, but what follows is anything but. He grips my shoulders and with one sudden downwards yank, slams me onto his dick to the hilt. I gasp and Robbie says, "Now grind, bitch!"

As Robbie holds me in position, I slowly move my cunt in a circular motion, clenching and unclenching my pussy muscles around his shaft. Robbie groans and squeezes my tits hard for a few moments. Then he suddenly releases them, grabs me by the hips and starts slamming his knob in and out of me. This is no ordinary fuck – this is pure, unadulterated, animalistic lust.

I yelp like a bitch on heat as Robbie drills me relentlessly from behind. Sweat is pouring profusely from both of us, and it feels like our bodies have fused together. Suddenly I start cumming, and as his thrusts are accelerating, I expect Robbie to do the same. And so he does, but not inside me. He suddenly pulls his cock from my cunt and flips me over onto my back, just in time to shower my tits and belly with several large jets of spunk.

In case it isn't obvious by now, Robbie isn't a stranger who'd happened along into my garden and banged me senseless. He's my boyfriend who, as you can tell, is heavily into voyeurism. Which suits me fine – just as long as I get fucked after he's had his solo fun watching me dildo-fuck myself into a cunt-frothing frenzy.

Three bitches we'd let slap the shit out of us!

BITCH SLAP (MOMENTUM PICTURES, £15.99)

Coming with a hearty thumbs up from *Club* chum Billy Chainsaw, *Bitch Slap* is the fun kind of trashy B-movie that the shambles dreamed up by Tarantino and Robert Rodriguez so wanted to be. Maybe it's the lack of star names (with the possible exception of Lucy Lawless, recently in *Battlestar Galactica* and currently getting her top Xena's out in *Spartacus*), or director ego, but this tale of a trio of sexy girls doing a heist is much more fun, and isn't weighed down by 20 minute long scenes of dialogue. Instead, things move on at a lick as Trixie, Hel and Camero kick ass, get their tops wet and kick more ass while their tops are wet. Lots of guns, lots of girls and lots of great cleavage. Why wouldn't *Club* love it?

PARANORMAL ACTIVITY (ICON HOME ENTERTAINMENT, £19.99)

Oren Peli's low-budget, slow-burning horror is probably the year's most unlikely breakthrough. Shot in a cold, detached style, with nothing happening for long periods, it's actually this inactivity that leads to a growing sense of foreboding, as Micah and Katie are slowly but surely terrorised by things that go bump in the night.

For this reviewer, it was a scarier experience than the hugely overrated *Blair Witch Project*, a film it's inevitably compared to because of its budget breakout status and its camerawork. This is a suburban dream turning into a living nightmare, and one of the films of the year.

Wall Street (20th Century Fox Home Entertainment, £9.99)

With *Wall Street 2: Money Never Sleeps* due in cinemas at the end of April, the time is ripe for another look at this sharply satirical Oliver Stone classic. Now in a 2 disc collector's edition replete with the requisite director's commentary, it's stood the test of time well, with Michael Douglas perfectly encapsulating the spirit of the age as Gordon Gekko in one of his classiest performances, while Charlie Sheen has rarely been better (except in *The Rookie*, obviously). Trust us, any film with Shitty LaBeouf in it is not going to compare.

★★★★

The Graves (Anchor Bay Entertainment, £15.99)

Tony Todd is an underused actor. Robert Englund managed to parlay being Freddie Kruger into a career based on leering in a similar manner in all kinds of schlock, but the equally memorable *Candyman* doesn't seem to have done the same for Todd. Still, he's present here as sisters Megan and Abby embark on a road trip that leads them to Skull City and its abandoned mine. Naturally, you'd just saunter into an abandoned mine in a place called Skull City. It all kicks off, with the girls proving sassy, spunky and some other American superlatives beginning with 'S'.

★★★

CSI: Season 9 (Momentum, £59.99)

Making its long-awaited Blu-ray debut, *CSI* looks better than ever, its glossy edges and forensic close-ups rendered beautifully in hi-def. The acting remains flawless, with Laurence Fishburne taking centre stage this season as Dr Raymond Langford. Fear not, Grissom and the gang, including the always brilliant Hodges, are all here, and Jorja Fox returns to explore her troubled relationship with Grissom. We're still waiting for *CSI: Croydon*, however.

We've got two Blu-ray boxsets to send out. Email 'Grissom = God' to *clubint@paulraymond.com*

Van Diemen's Land (High Fliers Films, £12.99)

Based on a true story, this impressive debut from writer-director Jonathan auf der Heide tells the tale of Alexander Pearce, Australia's most notorious convict, and his banishment to (and escape from, spoiler alert) Tasmania. The penal settlement there was a hell on earth, and when Pearce and 7 other convicts escape their confinement, hunger and desperation lead to inevitably grisly results. Mixing elements of survival horror with a bitter subtext about the British Empire, this is good stuff.

KILL OR BE KILLED...
VAN DIEMEN'S LAND
HUNGER IS A STRANGE SILENCE
BASED ON THE TRUE EVENTS OF AN ESCAPED CONVICT WHO ATE HIS FELLOW ESCAPEES TO SURVIVE

Law Abiding Citizen (Momentum Pictures £14.99)

Housewives choice Gerard Butler flexes his not inconsiderable pecs as Clyde Shelton, a man serving time for killing the murderer of his wife and daughter. He tells prosecutor Nick Rice (Jamie Foxx) to handle the legal business or he'll continue to enact revenge from the confines of his jail cell. Yup, it's a revenge drama with a twist, and the two leads handle the slightly hokey material with aplomb, while the methods of disposal Clyde uses from his incarceration are bordering on ingenious. Don't worry, the housewives will still love him.

★★★★

***Law Abiding Citizen* is out on Blu-ray and DVD 12 April, courtesy of Momentum Pictures. We've got three sealed, spiffing new copies on DVD to give away. Just email 'This is Sparta!' to *clubint@paulraymond.com* to win one.**

For that wonky table in your life...

BMW Motorcycles – Darwin Holmstrom & Brian J. Nelson (Motorbooks)

Say 'BMW', and cars immediately spring to mind, but as author Holmstrom and photographer Nelson prove in this edition, the company has a rich history with motorcycles as well. Bayerische Motoren Werke didn't fare too well in the fall out from WW2, but their bikes have evolved into fearsome beasts and shrugged off their stodgy rep. But then, considering they've been making bikes since 1923, they've had plenty of practice.

PEACHES

The place to be for the world's dirtiest backdoor sex stories. Yes, we're always bringing up the rear...

COCKTEASE SLEAZE!

"You don't like me, do you?" Amanda had said, rubbing her fit little body up against me. We were out at a bar with a bunch of colleagues.

"Of course I do," I told her. Though I guessed that, unlike every other man she'd cockteased at our firm, I hadn't let it show, assuming I had no chance with her. Now she grabbed my hand, said she needed some air, and led me away. All the other guys had a hard-on for her, so I'd get kudos at least.

I got a lot more than that. We found a dark corner, then she was kneeling down, clawing at my fly. My cock was straining so hard against the zip she found it hard to tug open, but soon she had my meat free, rubbing it up against her face before cramming it into her mouth.

I let her do the work, sucking and jerking me against her tongue, but then her free hand slapped my arse, urging me on to move my hips, to fuck her mouth. As she took me deep, she yanked her tits out of her top; then when she needed to take a breath, she let my cock slip out, wet from root to tip, and rubbed it over her boobs before going back to sucking me again.

Just as I was really getting into it, she stood up and bent over in front of me, hiking her skirt up and pulling her pants to one side. Her cunt was wet and slippery and a very tight fit, but I got my rigid shaft inside quick enough. I pounded in and out, Amanda's lovely little bum quivering with each thrust. It looked so tempting and, like she'd read my mind, she asked if I wanted to bang her in the arse.

I rubbed spit and juices around and inside of her bumhole, then swiped my dick up her crack and right inside of it, in one move. She took me so easily but clenched around my shaft in a hot iron grip, squeezing as I pumped deeper. Her fingers were on her clit and I felt her arsehole pulse, her open pussy ooze out its juices. I don't know how the hell I stopped myself from cumming, but she orgasmed twice before my spooge blew out to fill her arse.

We walked back into the bar together, me copping one final feel of her, as the cum soaked into her knicker-crotch. She didn't hide what we'd done, told all her girlfriends in fact, and it's now become legend that I nailed her in every hole. I think it's even helped me get laid a couple times, admittedly by the sluttier end of the company roster. But no one's as slutty as Amanda. Turns out she's not a cocktease – if she gets a dick hard, she'll find a use for it!

MAID FOR PLEASURE!

My friend Sharon is such a bad influence on me! We're both 19 and, when she told me she'd got a part-time job as a maid and invited me to visit her, I thought she'd lost her mind. Then I met the man of the house. She said she'd been fucking him for the past month, and he'd asked her to fix up a threesome. She thought I'd say no to the basic idea, but yes when I saw him – she knows me so well!

The plan was we'd meet up in a hotel after Sharon's shift ended. We had a two-hour wait before George was able to sneak away from home – I could have spent it shut in the bathroom frigging my pussy, but I saved all my sexual energy for him instead.

"I felt him begin to buck and soon his balls were pumping jizz into my bum..."

I had to wait even longer to sample the goods because Sharon insisted on going first, the horny bitch. And so I sat watching my very own live sex show as my pal got her pussy porked. And she didn't just lie back – in between moans she'd gasp how hard it was, how big it felt crammed in her cunt. I saw George tense up as he came, pull out to soak her slit, then thrust back in for a final few strokes.

Sharon wanted to show off, to impress him, and so while he recovered, she laid me on the bed so she could eat my cunt. The thought of all his jizz dripping down her thighs seemed like a waste, though, so I got her in a sixty-nine so I could suck a mouthful out of her instead.

Soon after, George joined us. I got on him in reverse cowgirl, as Sharon wanked his dick against my slit. Then he asked if Sharon had brought the lube and she said, "I may have mentioned to him that you love to take it in the arse!" True enough! I let her frig my clit with his prick as he smeared the cool gel all over my arsehole. Then she lubed him too, and slowly he pushed his fat knob into my bum.

I rode him hard. When I had George's entire length inside of my arse, I'd tense my cheeks and give him a hard squeeze. It felt like he could keep fucking me forever. Finally, though, I felt him begin to buck beneath me, and soon his balls were pumping jizz into my bum. Sharon got in position so she could watch him pull out, making me cum again as his helmet glided free.

Sharon says she doesn't feel bad about it. He isn't getting any at home so she's just fulfilling a need. What she doesn't know is that I'm going to meet up with him alone next week – he wants more of my sweet arse…

THE GIFT THAT KEEPS ON GIVING!

My flatmate's girlfriend Nadine is ridiculously sexy, but even when she stayed over and I'd get a lob on just from seeing her, I was always a good mate and kept the flirting friendly. That changed on my recent birthday, though. It was a Saturday and I was still in bed, contemplating my morning wood, when my mate called my mobile and told me to go into his room – my birthday gift would be waiting for me. I walked in to see Nadine on all fours, in scarlet lingerie and black stockings.

"Hello, birthday boy!" Nadine purred. I asked was she sure about this and not just doing it to please her boyfriend. She laughed and said it had been her idea – she knew I'd always had a secret hard-on for her!

I took a few seconds to digest the situation – and the image in front of me – then moved toward her, mentally photographing the instant my hands first connected with her arse.

I splayed and kneaded her firm flesh, then, as she wiggled it, eager and impatient, I used one hand to part her cheeks wide and the other to finger her slit through her knickers.

Once that was soaked through, I dove my head down and began to eat her through the fabric, tonguing hard as I sucked on her slit. The friction built up quickly and it only took a couple of minutes to get her cumming, with another flow of juices into my mouth.

I couldn't wait any longer; I hooked her panties to one side and got the first delicious feel and taste of my tongue on her naked cunt. First, I just teased her lips and clit, licking as gently as I could, till she couldn't stop from humping against me. Then I rammed my tongue in her hole, root-deep.

Now the throbbing in my dick was getting urgent. Carefully, I took it out of my jeans, thinking the slightest touch might get me blowing my load. But I held back, even when I started working my helmet up and down her wet, puffy crease. She moaned, then let out something between a sigh and a gasp as I wet a finger and teased the rim of her arsehole.

"Like that?" I breathed and she told me to stick my dick in it, right now. My finger deeper inside got her moaning again, and then I pulled out, grinding a little and then sliding it back in all the way. All I had to lube my shaft was her cunt cream, so I slid my dick in there first. It felt hot, wet and tight as it swallowed my meat. I took it slow, gently, then went faster and harder.

Her pussy may not have been getting a pounding, but it was leaking its hot wetness all over my nuts. Suddenly, I felt them bunch up so I gave her clit a rub, holding off till I felt the first orgasmic ripple. Then I ploughed down to the root in her arse and just let it all out, feeling her clench her cheeks as my jizz filled her up deep.

We spent the entire day in bed, and got dinner delivered – paid for by my flatmate! She only kicked me out of his room late on in the evening, just before he was due home, saying he'd screw her brains out once she told him how it had gone. Now that's what I call a mate…

RATINGS: ★ WHAT? ★★ WACK ★★★ WANTON ★★★★ WILD ★★★★★ WICKED

WICKED GAMES (WICKED)

Thank god Chris Isaak isn't singing the theme tune to this one. And thank god it involves more scenes with the ageless jessica drake getting some knob inside her. The rest of the cast is none too shabby either, with porn luminaries like Tory Lane, Nikki Benz and Jenna Presley all turning up to have cock-shaped items (mostly cocks, I deduced) inserted into their vagina-shaped items (vaginas, ditto). But even if they hadn't turned up, and had just left it to jessica, I'm sure she'd have managed fine. After all, she loves cock-shaped items. ★★★★

SUCK IT BITCH (HARMONY)

Harmony are hitting us where it hurts (the cock, such is the punishment meted out to the little fella recently) with 15 all-new sucking scenes and, as befits the modern style of blowjobs, there's face-fucking galore. Highlights include Dana Dearmond and Adrianna Nicole proving what a pair of cock-sockets they are. Lowlights include that bit where my winkie burped up some jizz into my belly button while I was watching. ★★★★★

SUPER MARINO'S ROADTRIPS: ANAL AWAYDAYS CAMBRIDGE (LOAD XXX)

My, what a well-travelled bunch Super Marino and his mates are. There's hardly a highway or byway they haven't travelled, and this latest DVD sees them visiting the lovely ladies of Cambridge. Well, 'lovely ladies' might be pushing it in some cases, but Marino et al are certainly equal opportunity cocksmen, giving it to fit sort and ponk alike. Sometimes it's nice to turn away from the Yank fitties and witness some run-of-the-mill Brit slappers gagging back a load of Dirty Dog's ball broth. ★★★

SEE THIS RAUNCHY VIDEO AT

Mili is only doing it for you. She's clean enough already, but she wants to be spanking fresh in case you fancy popping over there and eating out her freshly trimmed twat. In fact, if you rush, she'll still be in the shower, all soaped up and ready to go. She's feeling pretty naughty, so eat her out right, and she'll let you use that soap to lube your cock and slip it into her tight arse. And when we say tight, we mean ball-drainingly tight. But that's only if you hurry. If you get there too late she'll be towelled off and in her dressing gown. And all you'll get is a blowjob. Still... ♣

HO-TEL!

LATIKA WANTS ROOM SERVICE...

Some people hate business trips – the airports, the luggage, the impersonal hotels. But Latika isn't some people...

"I always volunteer to go away for work because I get to have a lot of fun in the hotels. There are tons of single guys or horny married guys looking for fun in business hotels, and I make the most of it."

We're guessing you're not making business contacts?

"That's in the daytime. At night I'm fucking up a storm! I don't have to clean the sheets like at home, so I like to get really messy. When I wake up, I want there to be cum and pussy juice everywhere from a wild night of getting fucked in the cunt and arse. And then I start again the next night!"

She means business... ♣
